

Print Repair and Restoration pricelist

Basic - Dust, Scratches and color correction

\$10-15 per image

- The image can be assessed for needed repair by sending a photo of the print to me by email but I will need to scan the original in order to make a high quality edit. No changes or repairs will be made to the original print, all changes are done digitally

Repair and Replace

\$25-50 per image

- Basic corrections as listed above
- This is for photos that have excessive loss of detail because of fading, peeling or other damage
- If a portion of the photo needs to be recreated, it will fall into this price point

Torn photos with missing pieces

\$50-125 per image

- Basic corrections as listed above
- This is for photos that have been torn, rolled, are crumbling, wrinkled or missing large physical pieces

Saving your Files - included with every photo

- Image files will be saved to a usb device that is yours to keep.
- All prints will be returned in the condition they were received
- The image can be assessed for needed repair by sending a photo of the print to me by email but I will need to scan the original in order to make a high-quality edit. No changes or repairs will be made to the original print, all changes are done digitally
- I will confirm the cost and repair needed in person

Feel free to reach out at any time by making a call or dropping an email. I look forward to hearing from you.
